S i r ,

I have the honor to state that the Amildar of Pavagada reports that the sanitation of the town is in a very backward condition for want of a sufficient number of sweepers, that the three sweepers, that are at present employed, in the town, cannot attend to the sweeping of the whole town, that in consequence there has been accumulation of filth in the town and that in the interest of better sanitation, 3 more sweepers on a pay of Rupees 5/- each may be appointed temporarily up to the end of the current year. The Municipal Board of Pavagada is also of the same opinion and propose to meet the expenditure required therefor by reappropriation from the sanctioned grants under B2, Lighting charges in the current year's budget, under which there is a saving.

Though the financial condition of the Municipality does not permit of the entertainment of any additional establishment as a permanent measure, yet, some arrangement has to be made to get rid of the accumulated filth in the town. I

therefore

therefore request sanction of Government to the entertainment of three additional sweepers on a pay of Rupees 6/- each, temporarily for a period of three months from the 1st of April 1913. The amount required will be met by reappropriation from the sanctioned grant under B2 Lighting Charges as proposed by the Board.

2. The file of vernacular papers on the subject is here in enclosed for reference.

I have the honor to be,

Sir,

Your most obedient servant,
